

Volunteer Marsh Monitoring Program (MMP) regional coordinators are being sought for the following Great Lakes Area of Concern regions. If you are unsure of whether or not you reside within an AOC region, please contact Ryan Archer, MMP Assistant Coordinator, at 1-888-448-2473 ext. 235, rarcher@bsc-eoc.org. While Bird Studies Canada welcomes position applications from all regions of the Great Lakes basin, MMP staff can only guarantee focused guidance, support and defined position-related cost-recovery amounts for those coordinators residing within targeted AOC regions.
